"I am a dealmaker, guiding my clients to their goals. It's tremendously helpful to have an attorney who has walked in your shoes. I started and grew a business from scratch, invested in real estate, and experienced the decisions and dedication to make those investments successful."

Chad Johnson is a founding partner of Hellmuth & Johnson, and serves as the firm's Managing Partner. He founded Hellmuth & Johnson after just two years of practice, growing the firm on the strength of its loyal clients and experienced attorneys to become one of the 20 largest law firms in Minnesota.

Chad represents a broad range of businesses, corporations, limited liability entities and individuals in pursuit of their business, real estate and transaction goals. He primarily practices in the following areas:

- Mergers and acquisitions
- Business entity selection, formation and maintenance
- Shareholder matters, including buy-sell agreements
- Strategic business and corporate counseling
- Real estate development and construction
- Real estate transactions and leasing
- Banking, finance and workout
